PROFILE

Dynamic ReactJS fresher excelling in front-end development, proficient in HTML, CSS, and JavaScript. Adept problem solver with a keen eye for detail, passionate about creating seamless user experiences. Eager to apply innovative solutions and contribute to the success of web development projects. Possess exceptional communication and interpersonal skills with a proven ability to work independently and as part of a team.

EXPERIENCE

Frontend Developer

The Wagon House | Nov 2023 - Present

<https://twhadmin.netlify.app>

- Developed a user-friendly interface facilitating easy navigation and detailed search within the car listing module.
- Developed a seamless process for adding new cars to the showroom inventory.
- Created a robust user management section, allowing efficient addition, modification, and deletion of staff profiles with defined roles.
- Enhanced the booking process, introducing features for smooth customer interactions and effective management of booking requests.

PROJECTS

Frontend Developer

Rasoiwallah - Food Delivery

- Designed and developed sign-up and login pages, providing users with the ability to create accounts and securely log in to access the platform's features.
- Implemented a dynamic homepage showcasing top-rated restaurants.
- Developed interactive restaurant profiles allowing users to explore menus, view detailed item information including descriptions and prices, and add items to their cart seamlessly.
- Designed and integrated a user-friendly shopping cart functionality enabling users to manage selected items effortlessly, including the ability to adjust item quantities and remove items as needed.
- Implemented private routing to restrict access to authenticated users, enhancing security and ensuring a personalized experience.
- Deployed the application using Netlify:
